Narodowy (hereinafter "Respondent"), with a violation of the Rules and Regulations Relating to Emergency Medical Services (R23-4.1-EMS).

After careful consideration by the Department, the following constitutes the Findings of Fact with respect to the professional performance of the Respondent:

1) Respondent is an applicant for EMT-Cardiac relicensure in Rhode Island.

2) That at all pertinent times Respondent was employed by the Warwick Fire Department.

3) That on or about April 1, 2003 to March 1, 2005, Respondent did engage in the practice of emergency medical services without being licensed as an emergency medical technician.

4) That the conduct described in paragraph three (3) herein constitutes unprofessional conduct as defined in Section 16.1 (i) of the Rules and Regulations Relating to Emergency Medical Services (R23-4.1-EMS).

The parties agree as follows:

1. Respondent is an applicant for EMT-Cardiac relicensure and able to conduct business under and by virtue of the laws of the State of Rhode Island. Respondent's mailing address is 151 North Main Street, North Smithfield, R.I. 02896.

2. Respondent admits to the jurisdiction of the Department and hereby agrees to remain under the jurisdiction of the Department.

3. Respondent has read this Consent Order and understands that it is a proposal of the Department and is subject to final ratification by the Department. This Consent Order and the contents thereof are not binding on Respondent until final ratification by the Department.

4. Respondent hereby acknowledges and waives:

   a) The right to appear personally or by counsel or both before the Department;

   b) The right to produce witnesses and evidence in his behalf at a hearing;

   c) The right to cross-examine witnesses;

   d) The right to have subpoenas issued by the Department;

   e) The right to further procedural steps except for those specifically contained herein;

   f) Any and all rights of appeal of this Consent Order;

   g) Any objection to the fact that this Consent Order will be presented to the Department for consideration and review;

   h) Any objection to the fact that it will be necessary for the Department to become acquainted with all evidence pertaining to this matter in order to adequately review this Consent Order;

i) Any objection to the fact that potential bias against the Respondent may occur as a result of the presentation of this Consent Order to the Department.

5. This Consent Order shall become a part of the public record of this proceeding once it is accepted by all parties.

6. Acceptance by the Respondent and approval by the Department of this Consent Order constitutes an admission of a violation of Section 16.1 (i) of the Rules and Regulations Relating to Emergency Medical Services (R23-4.1-EMS).

7. Failure to comply with the Consent Order, once signed and accepted, shall subject the Respondent to further disciplinary action.

8. Respondent voluntarily accepts the Sanction of a Reprimand.

9. That this Consent Order shall obviate the necessity for a hearing on the matters forming the basis for this Consent Order.

10. This Consent Order constitutes a final order of the Department of Health pursuant to RI General Laws §42-35-12. Pursuant to R.I. Gen. Laws §42-35-15, a final order may be appealed to the Superior Court sitting in and for the County of Providence within thirty (30) days of the mailing date of this decision. Such appeal, if taken, must be completed by filing a petition for review in Superior Court. The filing of the complaint does not itself stay enforcement of this order. The agency may grant, or the reviewing court may order, a stay upon the appropriate terms. By signing this Consent Order, Respondent has waived the appellate rights stated herein.

Signed this 15th day of June.
