APPLICATION PROCESS OVERVIEW

The licensure process in the State of Rhode Island is conducted by the Rhode Island Department of Health (HEALTH), and the Rhode Island Board of Radiologic Technology.

Application Process

In addition to the application, you must submit additional information directly to the Board. All items listed on the “checklist” (page 9) must be submitted for an application to be considered complete. All applications are considered valid for 1 year from the day they are received at HEALTH. If you do not complete the application process and obtain a license within 1 year a new application must be submitted.

Please allow a minimum of 4-6 weeks for the entire licensure process to be completed. If you have malpractice criminal or disciplinary history, in Rhode Island or another state, it can take an additional 2 or 3 months for all pertinent documentation to be received, and a decision to be made regarding issuance of your license.

Licenses will be issued within 7-10 working days following approval of the license. Wallet-sized license cards are mailed within 3 weeks from the date of issuance, and are mailed to the address furnished in the application. You are responsible for notifying the Board office, in writing, if your address changes in the interim. Visit the following website to obtain a change of address form.

<http://www.health.ri.gov/forms/changeofaddress/professions.pdf>

To obtain your license number prior to receiving your license card, please refer to the HEALTH Licensee Lookup web site:

<https://healthri.mylicense.com/Verification/>

HEALTH will not, for any reason, accelerate the processing of one applicant at the expense of others. Once completed, the application will be reviewed, and you will be contacted in writing.

Please continue to review the remaining portions of this application packet for instructions and other materials necessary to complete the application. If you have any questions about this application process, or would like to check on the status of your application, please contact the board staff at (401) 222-2837.
