# APPLICATION PROCESS OVERVIEW

---

The licensure process in the State of Rhode Island is conducted by the Rhode Island Department of Health (HEALTH), Board of Pharmacy, and the Rhode Island Board of Examiners in Veterinary Medicine (Board).

## **Application Process**

In addition to the application, you must submit additional information directly to the Board. All items listed on the “checklist” (page 10) must be submitted for an application to be considered complete. All applications are considered valid for 1 year from the day they are received at HEALTH. If you do not complete the application process within 1 year, a new application must be submitted. If you are approved to take the examination, the examination approval process does not expire within one year.

All material must be received 30 days prior to a scheduled Board Meeting in order to be considered for endorsement of licensure from another jurisdiction.

Please allow a minimum of 4-6 weeks for the entire licensure process to be completed. If you have malpractice criminal or disciplinary history, in Rhode Island or another state, it can take an additional 2 or 3 months for all pertinent documentation to be received, and a decision to be made regarding issuance of your license.

Licenses will be issued within 7-10 working days following approval of the license. Wallet-sized license cards are mailed within 3 weeks from the date of issuance, and are mailed to the address furnished in the application. You are responsible for notifying the Board office, in writing, if your address changes in the interim. Visit the following website to obtain a change of address form.

If you have any questions about this application process, or would like to check on the status of your application, please contact the board staff at (401) 222-2837.
