

In celebration of National Minority Health Month, the RI Department of Health,
Office of Minority Health invites you to attend

Diversity Dialogues 2007:
Celebrating the 15th Anniversary of the OMH
featuring

Dr. Gloria WilderBrathwaite, MD, MPH
Keynote Speaker

“Dr. Gloria” served as Director of Community Pediatrics at Georgetown University Medical Center and Chair of Mobile Health Programs at Children's National Medical Center, overseeing the daily operations of the Children's Health Project of DC, a program of the nationally recognized Children's Health Fund. In 2005, Dr. Gloria used her business and program development expertise to found CORE HEALTH, a community driven social justice solutions company dedicated to assisting providers to underserved populations in improving the quality of community based services through enhanced business efficiency and enriching the diversity of providers within underserved markets. The CORE HEALTH philosophy promotes strengthening an individual's health and wellness through enriching the community in which they reside. CORE HEALTH includes a nonprofit speaker's bureau, JUSTICE SPEAKS, dedicated to facilitating a nationwide dialogue on issues of social justice and equality.
