ANDREW HARVEY

CONSENT ORDER

This matter is before the Department of Health, Division of Emergency Medical Services (hereinafter (“Department”), upon allegations that Andrew Harvey (hereinafter (“Respondent”) did engage in conduct which would constitute grounds for disciplinary action against his EMT license while employed as an emergency medical technician for the Cumberland Rescue Service. Specifically, the Department has determined that the Respondent failed to renew his EMT-Paramedic license #9030 (expiration date, March 31, 2003) in a timely manner and did work without a valid license on various dates from April 1, 2004 through March 8, 2009. This action constitutes a violation of Section 2.1 of the Rules and Regulations Relating to Emergency Medical Services (R23-4.1-EMS). With respect to this matter, it is agreed by the parties as follows:

- 2) Respondent admits to the jurisdiction of the Department and hereby agrees to remain under the jurisdiction of the Department.
- 3) Respondent has read this Consent Order and understands that it is a proposal of the Department and is subject to final ratification by the Department.

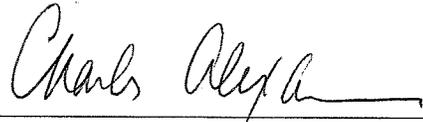

- 4) Respondent hereby acknowledges and waives:
 - a) The right to appear personally or by counsel or both before the Department;
 - b) The right to produce witnesses and evidence in his behalf at a hearing;
 - c) The right to cross-examine witnesses;
 - d) The right to have subpoenas issued by the Department;
 - e) The right to further procedural steps except for those specifically contained herein;
 - f) Any and all rights of appeal of this Consent Order;
 - g) Any objection to the fact that this Consent Order will be presented to the Department for consideration and review;
 - h) Any objection to the fact that it will be necessary for the Department to become acquainted with all evidence pertaining to this matter in order to adequately review this Consent Order;
 - i) Any objection to the fact that potential bias against the Respondent may occur as a result of the presentation of this Consent Order to the Department.
- 5) This Consent Order shall become a part of the public record of this proceeding once it is accepted by all parties.
- 6) Acceptance by the Respondent and approval by the Department of this Consent Order constitutes an admission of the facts contained herein.

- 7) Failure to comply with the Consent Order, once signed and accepted, shall subject the Respondent to further disciplinary action.
- 8) Respondent voluntarily accepts the sanction of a Reprimand.
- 9) That this Consent Order shall obviate the necessity for a hearing on the matters forming the basis for this Consent Order.

Signed this 13 day of March 2009.
