 - h) Any objection to the fact that it will be necessary for the Department to become acquainted with all evidence pertaining to this matter in order to adequately review this Consent Order;
 - i) Any objection to the fact that potential bias against the Respondent may occur as a result of the presentation of this Consent Order to the Department.
- 5) This Consent Order shall become a part of the public record of this proceeding once it is accepted by all parties.

- 6) Acceptance by the Respondent and approval by the Department of this Consent Order constitutes an admission of the facts contained herein.
- 7) Failure to comply with the Consent Order, once signed and accepted, shall subject the Respondent to further disciplinary action.
- 8) Respondent voluntarily accepts the Sanction of a Reprimand.
- 9) That this Consent Order shall obviate the necessity for a hearing on the matters forming the basis for this Consent Order.
