This matter is before the Department of Health, Division of Emergency Medical Services (hereinafter "Department"), upon the matters contained in the application for licensure as an Emergency Medical Technician filed by James B. Specifically, information obtained in conjunction with the application filed by Respondent indicated that he had admitted to various crimes in the State of Rhode Island such as possession of a controlled substance and driving while under the influence (DWI). A conference was held between the parties on 3 August 1993 and it was agreed as follows:

1. That the Department shall grant the application for licensure filed by Respondent provided, however, Respondent shall serve at least a twelve (12) month period of probation subject to the terms and conditions set forth in this Consent Agreement.
2. That said probationary period shall commence upon Respondent's employment and/or performing

volunteer services as an Emergency Medical Technician with a licensed emergency medical service. That upon affiliation with a licensed service, Respondent shall notify the Department as to the name of the service and date of affiliation.

3. That Respondent shall enter into and continue to adhere to the conditions of a contract with the Rhode Island Employee Assistance Program. Respondent shall present evidence to the Department that he has entered into such a contract with the Rhode Island Employee Assistance Program prior to the issuance of his license as an Emergency Medical Technician.

The Department reserves the right to take appropriate licensure action should Respondent be charged with a crime in any jurisdiction.
5. That during the period of probation should Respondent fail to comply with the provisions of Chapter 23-4.1 and/or the "Rules and Regulations Relating to Emergency Medical Services", or any of the terms of this Consent Agreement, the

Department shall initiate appropriate action with respect to Respondent's licensure status.

6. That during the period of probation, Respondent's employers, including the Chief of the licensed Ambulance Services for which he is employed and/or serves as a volunteer, shall submit to the Department reports every six (6) months relating to Respondent's conduct and performance. That it shall be the responsibility of Respondent to have his employers submit said reports.
7. That during the period of probation should Respondent change employment and/or volunteer service, he shall notify the Department forthwith of said change including the name and address of the new employers and/or service and the reason for the change in employment.
8. That a copy of this Consent Agreement shall be forwarded by the Department to Respondent's current employer(s) and/or volunteer service and all future employer(s) and/or volunteer service during the period of probation.
9. That this Consent Agreement shall obviate the necessity for a hearing on the matters forming the basis for this Consent Agreement.

10. That at the expiration of the twelve (12) month period of probation, Respondent may apply to the Department for an unrestricted license as an Emergency Medical Technician.
