CONSENT ORDER

This matter is before the Department of Health, Division of Emergency Medical Services (hereinafter "Department"), upon the information filed by Michael J. Beyer, Emergency Medical Technician-Cardiac #8248 (hereinafter "Respondent"). Specifically, information filed by Respondent indicated on April 18, 2001, Respondent was charged with the crime of malicious destruction of property. On May 1, 2001, Respondent was assessed court costs, ordered to pay restitution and the case was filed. Respondent did enter into a domestic violence treatment program. Furthermore, this is the Respondent's second violation for malicious destruction of property inasmuch as the Department executed a Consent Agreement with Respondent on August 17, 1992. Accordingly, it is agreed as follows:

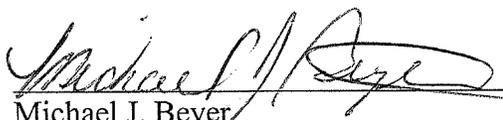

1. That Respondent's Emergency Medical Technician-Cardiac license is hereby suspended for a period of twenty-four (24) months; provided however such suspension shall be stayed and Respondent shall serve at least a twenty-four (24) month period of probation subject to the terms and conditions of this Consent Order.
2. That said probationary period shall commence upon Respondent's employment and/or performing services as an Emergency Medical Technician with a licensed emergency medical service and will abate for the duration of any period in which

Respondent ceases to be employed and/or performs volunteer services as an Emergency Medical Technician.

3. That Respondent has been evaluated by R. Kenneth Tellier, LICSW at Hosanna Lighthouse Ministries, Inc. and shall adhere to any treatment plan recommended by that agency.
4. That Respondent shall commence and continue such counseling and/or treatment as his counselor deems appropriate.
5. That Respondent waives confidentiality of his treatment and counseling and will direct R. Kenneth Tellier, LICSW at Hosanna Lighthouse Ministries, Inc. and/or other health care professional rendering him treatment and/or counseling to submit to the Department of Health reports every three (3) months with respect to his progress in said program, treatment and/or counseling. That it shall be the responsibility of Respondent to have his treatment agency submit such reports.
6. That during the period of probation, any violation of the treatment plan shall be reported immediately to the Department with Respondent agreeing not to practice as an Emergency Medical Technician until the treatment plan has been modified to address his violation.
7. That should Respondent fail to attend two (2) consecutive counseling sessions, this shall constitute a violation of Respondent's treatment plan.
8. That during the period of probation Respondent shall notify the Department forthwith in the event that he is charged with any crime by any law enforcement agency in any jurisdiction. The Department reserves the right to take appropriate licensure action should Respondent be charged with a crime in any jurisdiction.
9. That during the period of probation should Respondent fail to comply with the provisions of Chapter 23-4.1 and/or the "Rules and Regulations Relating to

Emergency Medical Services”, or any of the terms of this Consent Order, the Department shall suspend Respondent’s Emergency Medical Technician-Cardiac license.

10. That during the period of probation, Respondent’s employers, including the Chief of the licensed Ambulance Service for which he is employed and/or serves as a volunteer, shall submit to the Department reports every three (3) months relating to Respondent’s conduct and performance. That it shall be the responsibility of Respondent to have his employers submit said reports.
11. That during the period of probation should Respondent change employment and/or volunteer service, he shall notify the Department forthwith of said change including the name and address of the new employers and/or licensed ambulance service and the reason for the change in employment.
12. That a copy of this Consent Order shall be forwarded by the Department to Respondent’s current employer(s) and/or volunteer service and all future employer(s) and/or volunteer service during the period of probation.
13. That this Consent Order shall obviate the necessity for a hearing on the matters forming the basis for this Consent Order.
14. That at the expiration of the twenty-four (24) month period of probation, Respondent may apply to the Department for a termination of the probation.
