Consent Order and the contents thereof are not binding on Respondent until final ratification by the Department.

4. Respondent hereby acknowledges and waives:
  - a) The right to appear personally or by counsel or both before the Department;

  - f) Any and all rights of appeal of this Consent Order;
  - g) Any objection to the fact that this Consent Order will be presented to the Department for consideration and review;
  - h) Any objection to the fact that it will be necessary for the Department to become acquainted with all evidence pertaining to this matter in order to adequately review this Consent Order;
  - i) Any objection to the fact that potential bias against the Respondent may occur as a result of the presentation of this Consent Order to the Department.
5. This Consent Order shall become a part of the public record of this proceeding once it is accepted by all parties.
6. Acceptance by the Respondent and approval by the Department of this Consent Order constitutes an admission of the facts contained herein.

7. Failure to comply with the Consent Order, once signed and accepted, shall subject the Respondent to further disciplinary action.
8. That the Department shall grant the application for licensure filed by Respondent, provided, however, Respondent shall serve at least a twelve (12) month period of probation subject to the terms and conditions set forth in this Consent Order.
9. That said probationary period shall commence upon execution of the Consent Order and will abate for the duration of any period in which Respondent ceases to be employed and/or performs volunteer services as an Emergency Medical Technician.
10. That Respondent shall submit to an evaluation by a physician approved by the Department and adhere to any treatment plan recommended by said physician. Respondent shall present evidence to the Department that he has been evaluated by said physician prior to the issuance of his license as an Emergency Medical Technician and that he affirms no clinical findings of substance abuse.
11. That Respondent waives confidentiality of his treatment and counseling and will direct said physician rendering him treatment and/or counseling to submit to the Department of Health reports every six (6) months with respect to his progress in said program, treatment and/or counseling including, but not limited to, counseling reports, urine and drug screening reports. That it shall be the responsibility of Respondent to have his treatment agency submit such reports.
12. That during the period of probation Respondent shall notify the Department forthwith in the event that he is charged with any crime by any law enforcement

14. That during the period of probation, Respondent's employers, including the Chief of the licensed Ambulance Service for which he is employed and/or serves as a volunteer, shall submit to the Department reports every six (6) months relating to Respondent's conduct and performance. That it shall be the responsibility of Respondent to have his employers submit said reports.
15. That during the period of probation should Respondent change employment and/or volunteer service, he shall notify the Department forthwith of said change including the name and address of the new employers and/or licensed ambulance service and the reason for the change in employment.
