  - i) Any objection to the fact that potential bias against the respondent may occur as a result of the presentation of this Consent Order to the Department.
5. This Consent Order shall become a part of the public record of this proceeding once it is accepted by all parties.
6. Acceptance by the respondent and approval by the Department of this Consent Order constitutes an admission of the facts contained herein.

8. That the Department shall grant the application for licensure filed by the Respondent, provided, however, Respondent shall serve at least a seven (7) year period of probation subject to the terms and conditions set forth in this Consent Order.
9. That said probationary period shall commence upon execution of the Consent Order and will abate for the duration of any period in which Respondent ceases to be employed and/or performs volunteer services as an Emergency Medical Technician in Rhode Island.
10. That during the period of probation Respondent shall notify the Department forthwith in the event that he is charged with any crime by any law enforcement agency in any jurisdiction. The Department reserves the right to take appropriate licensure action should Respondent be charged with a crime in any jurisdiction.
11. That during the period of probation should respondent fail to comply with the provisions of chapter 23-4.1 and/or the "Rules and Regulations Relating to Emergency Medical Services", or any of the terms of this Consent Order, the Department shall initiate appropriate action with respect to Respondent's licensure status.
