  - f) Any and all rights of appeal of this Consent Order;
  - g) Any objection to the fact that this Consent Order will be presented to the Department for consideration and review;
  - h) Any objection to the fact that it will be necessary for the Department to become acquainted with all evidence pertaining to this matter in order to adequately review this Consent Order;
  - i) Any objection to the fact that potential bias against the Respondent may occur as a result of the presentation of this Consent Order to the Department.
5. This Consent Order shall become a part of the public record of this proceeding once it is accepted by all parties.
6. Acceptance by the Respondent and approval by the Department of this Consent Order constitutes an admission of the facts contained herein.
7. Failure to comply with the Consent Order, once signed and accepted, shall subject the Respondent to further disciplinary action.

8. That the Department shall grant the application for licensure filed by Respondent, provided, however, Respondent shall serve at least a twelve (12) month period of probation subject to the terms and conditions set forth in this Consent Order.
9. That said probationary period shall commence upon execution of the Consent Order and will abate for the duration of any period in which Respondent ceases to be employed and/or performs volunteer services as an Emergency Medical Technician.
10. That Respondent shall submit to an evaluation by John Femino, M.D., Medical Director, Meadows Edge Recovery Center and adhere to any treatment plan recommended by John Femino, M.D.. Respondent shall present evidence to the Department that he has been evaluated by John Femino, M.D. prior to the issuance of his license as an Emergency Medical Technician and that he affirms no clinical findings of substance abuse or propensity for violence.
11. That during the period of probation should Respondent fail to comply with the provisions of Chapter 23-4.1 and/or the "Rules and Regulations Relating to Emergency Medical Services", or any of the terms of this Consent Order, the Department shall initiate appropriate action with respect to Respondent's licensure status.
12. 13. That during the period of probation should Respondent change employment and/or volunteer service, he shall notify the Department forthwith of said change including the name and address of the new employers and/or licensed ambulance service and the reason for the change in employment.
14. That a copy of this Consent Order shall be forwarded by the Department to Respondent's current employer(s) and/or volunteer service and all future employer(s) and/or volunteer service during the period of probation.
15. That this Consent Order shall obviate the necessity for a hearing on the matters forming the basis for this Consent Order.
16. That should Respondent comply with the laws and regulations governing the practice of emergency medical services during the twelve (12) month period of probation and comply with the requirements of this Consent Order, he may apply to the Department for relief from the probation.
