SUMMARY SUSPENSION

The Board of Medical Licensure and Discipline (hereinafter the "Board") received a complaint (C13-357) regarding possession of a controlled substance by Roy M. 3. Respondent's office is located at Main Medical – Mystic LLC, 23 Clara Drive, Suite 201, Mystic, Connecticut 06355.

4. On or about August 10, 2013, Respondent entered a residential home without the owner's permission in Westerly, Rhode Island, between 3:00 and 4:00 a.m. Respondent called out for his friend Bill, whose house he thought he was in, and this call awoke the home's owner, who then subdued and held Respondent until police arrived. Westerly Police arrested Respondent for felony breaking and entering a dwelling. Respondent told police he mistakenly believed that he had entered the home of a friend who had instructed Respondent to enter a side door of that house. Respondent entered the wrong house through its garage entrance because it had no side door. Westerly Police found two bags containing about six grams of marijuana in Respondent's vehicle after police arrived on scene, and an odor of marijuana smoke was detected in the vehicle.
5. Respondent is in civil violation of Rhode Island General Laws § 5-37-5.1 for unprofessional conduct, and § 5-37-5.1(28) for violation of state controlled substances laws and regulations.

ORDER

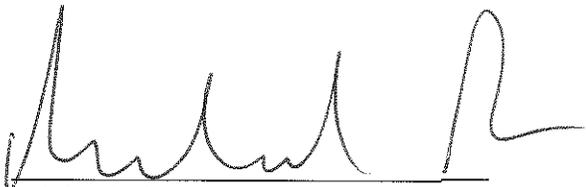

After considering the above findings, it has been determined that the continuation of the practice of medicine by the Respondent would constitute an immediate danger to the public, and the public health, safety, and welfare imperatively requires emergency action. It is accordingly ordered that:
