License Number MD08042

Controlled Substances Registration CMD08042

BMLD Case Number C13-638

Consent Order

The Board of Medical Licensure and Discipline (hereinafter the "Board") received a complaint (C13-658) regarding possession of a controlled substance by Roy M. Main, M.D. (hereinafter the "Respondent"). Respondent is licensed as a physician in Rhode Island and is licensed to prescribe controlled substances under Rhode Island General Laws chapter 21-28, having both a state Controlled Substances Registration and a Federal Drug Enforcement Administration Registration to prescribe controlled substances. Respondent's license and controlled substance registration were suspended on Sep 9, 2013. After reviewing the above-referenced matter and new evidence about efforts made by Respondent to ameliorate the conditions cited in the complaint, including information from the Haven the Board makes the following:

FINDINGS OF FACT AND CONCLUSIONS OF LAW

1. Respondent is a licensed physician in the State of Rhode Island and was issued his license on August 7, 1991. He graduated from the University Of Mississippi School Of Medicine in 1984.

2. Respondent's office was located at Main Medical – Mystic LLC, 23 Clara Drive, Suite 201, Mystic, Connecticut 06355.
3. On or about August 10, 2013, Respondent entered a residential home in Westerly, Rhode Island, between 3:00 and 4:00 a.m via an unlocked door. Respondent was subdued and held by the homeowner until police arrived. Respondent was arrested for felony breaking and entering a dwelling at nighttime. Respondent mistakenly believed that he had entered into the home of a friend, since he entered via an unlocked door as discussed earlier that evening with his friend. This matter was subsequently resolved through the court system and adjudicated as a misdemeanor trespassing charge on January 13, 2015.
4. Westerly Police found 6 grams of marijuana in Respondent's vehicle after they arrived at the home that Respondent broke into.
5. Respondent subsequently attended Haven in Connecticut and has participated and engaged in appropriate treatment.
6. The Board has received correspondence from Haven endorsing his return to the practice of medicine. Respondent agrees to maintain a 5 year contract with Haven and report any violations of the contract directly to the Board.
7. Respondent has violated Rhode Island General Laws § 5-37-5.1 (5).

Based on the foregoing, the parties agree as follows:

1. Respondent admits to the jurisdiction of the Board.

2. Respondent has agreed to this Consent Order and understands that it is subject to final approval of the Board, and this Consent Order is not binding on Respondent until final ratification by the Board.
3. If ratified by the Board, Respondent hereby acknowledges and waives:
 - a. The right to appear personally or by counsel or both before the Board;
 - b. The right to produce witnesses and evidence on his behalf at a hearing;
 - c. The right to cross examine witnesses;
 - d. The right to have subpoenas issued by the Board;
 - e. The right to further procedural steps except for those specifically contained herein;
 - f. Any and all rights of appeal of this Consent Order;
 - g. Any objection to the fact that this Consent Order will be presented to the Board for consideration and review.
4. Respondent shall abstain completely from narcotic drugs except those prescribed by his treating physician, and from using alcohol.
5. Respondent shall complete the remainder of his contract with the Haven and shall continue to do so until Haven shall deems appropriate.
6. Respondent licenses to practice medicine and controlled substance registration are reinstated.

7. Respondent will review the Prescription Monitoring program prior to prescribing a controlled substance to any patient.
8. The Respondent agrees to this reprimand on his physician license.
9. Respondent agrees to pay an administrative fee to the Board for costs associating with investigating this complaint. Respondent shall submit to the Board within one hundred and eighty (180) days a check made payable to the Rhode Island General Treasury for the amount of \$1000.00.
10. In the event that any term of this Consent Order is violated, after signed and accepted, the Director of the Department of Health shall have the discretion to summarily suspend the Respondent's license and/or impose further disciplinary action. If the Director suspends the license and/or imposes further disciplinary action, Respondent shall be given notice and shall have the right to request an administrative hearing within twenty (20) days of the suspension and/or further discipline. The Director of the Department of Health shall also have the discretion to request an administrative hearing after notice to Respondent of a violation of any term of this Consent Order. The Administrative Hearing Officer may suspend Respondent's license, or impose further discipline, for the remainder of Respondent's licensing period if the alleged violation is proven by a preponderance of evidence.
