The Board of Medical Licensure and Discipline received a petition for relief from a mandated monitoring contract with the Physician's Health Committee of the Rhode Island Medical Society that was part of a Consent order that was entered with the Board on September 14, 2005.

After consideration of the petition for relief from the Consent Order and monitoring contract along with the recommendations of the Physician's Health Committee, the Board of Medical Licensure and Discipline finds that the Petitioner has successfully completed the terms of the agreement and; therefore, grants Petitioner's request.
