Dear Attorney Landau:

The RI Board of Psychology considered your request on behalf of your client Dr. Jessica Fortunato (PS00986) to have her RI Psychologist license reinstated to active status at its meeting on September 15, 2011. After review of her file, the Board determined Dr. Fortunato has met all the terms of the Consent Order and voted to reinstate her license to active status.

The license status of Dr. Fortunato has been returned to active status. Dr. Fortunato will be receiving a new license card reflecting the change of status in approximately two weeks.

If you have any questions, please contact me via email at [jmichel.martineau@health.ri.gov](mailto:jmichel.martineau@health.ri.gov)

Sincerely,

J. Michel Martineau  
Administrator, Board of Psychology
