 - j) Any objection to the fact that potential bias against the Respondent may occur as a result of the presentation of this Consent Order to the Board.
5. This Consent Order shall become part of the public record of this proceeding once it is accepted by all parties and accepted by the Board.

7. Failure to comply with the Consent Order, once signed and accepted, shall subject the Respondent to further disciplinary action.
8. Respondent agrees to the voluntary surrender of her registered nurse license for one year.
