

Batterers Intervention Program Standards Oversight Committee Updated March 4,2008

By law every domestic violence offender whose case is adjudicated or filed under RIGL § 12-29-5 must be referred to a certified batterers intervention program. In accordance with established practice, program referrals should generally be made by Probation & Parole staff or by the agency receiving filed cases from court. The programs listed below have been certified by the Batterers Intervention Program Standards Oversight Committee.

Programs have provided information that they offer groups in the communities indicated. If you have any questions or require additional information please contact the program directly. Changes can be reported to Emily Daniels at (401) 462-4508 or Emily.Daniels@doc.ri.gov.
