

RI Department of Health

APPROVED ARCHITECTS

The following architects have been approved by the Director of Health to review construction plans and certify compliance with health facility construction requirements. Construction requirements are specified in the rules and regulations for licensing of health facilities, and are specific to facility type.

Approvals are granted to individual architects appropriately registered in the state of Rhode Island. Architects are listed by name, firm, address, Registration number, Certificate of Authorization (COA) number and date approved by HEALTH. Questions regarding this listing should be directed to the

Office of Facilities Regulation
3 Capitol Hill, Room #306
Providence, RI
Tel: (401) 222-2566
