

NCLEX Pass Rates

Rhode Island approved nursing programs must maintain at least an 80% NCLEX pass rate for graduates of their program taking the exam for the first time. Pass rates are measured for the period of October 1st through September 30th of the following year. Schools failing to meet this requirement fall under the regulatory jurisdiction of the Rhode Island Board of Nurse Registration and Nursing Education.

Pass Rates-Registered Nurse

	10/1/07-09/30/08	10/1/08-09/30/09	10/1/09-09/30/10
