GUIDE TO USING YOUR FRUIT AND VEGETABLE CHECK

The Fruit and Vegetable Check is different from the other WIC checks. Each check has a dollar value.

You can use your check(s) to buy any combination of fresh, frozen, or canned fruits and vegetables.

For fresh fruits and vegetables priced by the pound:

Price per pound x weight = final price

Example: Granny Smith Apples

\$1.59 x 1/2 pound = \$0.80

You can combine multiple checks to pay for one purchase.

You can pay the difference if you go over the amount of your check(s).

You cannot get cash back if you do not spend the full amount of your check(s).

You can use these checks at WIC-approved Farmer's Markets (but you cannot use the Farmer's Market checks at the grocery store).

How to use WIC checks at the store

Look at your checks for the “First Day to Use” and the “Last Day to Use.” Use your checks within these dates.

Shop only at WIC approved stores. Your WIC agency can give you a list of WIC approved stores.

Only you or your alternate shopper can use your WIC checks.

Choose only WIC allowed foods.

You can only purchase the number of items listed on your checks. If you choose to buy fewer items than are listed on your check, you cannot receive cash back or a rain check.

For Fruit and Vegetable checks ONLY, you can buy more than the amount of the check and pay the difference.

For more information, see the section on Fruit and Vegetable Checks.

Separate your WIC foods from other foods when you get to the cashier. Let the cashier know you have WIC checks.

Show WIC Identification to the cashier. You do not need to remove the cover.

Do not sign your WIC check until the cashier has written the correct purchase price on the check.

Use manufacturer’s coupons, store coupons, and scan cards for WIC foods. It helps WIC save money.

For Fruits and Vegetable checks, coupons and cards may help you buy more with your check and save money if you go over. For more information, see the section on Fruit and Vegetable Checks.

You are entitled to promotions offered to other shoppers. “Buy one, get one free” counts as one item.

Report lost or stolen checks to your WIC agency immediately.

Always carry this Rhode Island WIC Approved Food Guide and ID Folder with you when you shop.
