Is there a tick on you?

Do a tick check!

Here’s where to look:

- Along your hairline
- Inside and behind the ears
- Armpits
- Back of your neck
- Groin (where your legs join your body)
- Between your toes
- Behind the knees
- Legs

Ticks are tiny, so look for new “freckles.” These are actual size:

- Nymph
- Adult female dog tick
- Adult deer tick
