**Proposed use of requested datafile(s):** (Attach pages as necessary)

**I agree to comply with the following conditions:**

Confidentiality

1. The confidentiality of the BRFSS datafiles described above will be maintained as required by Chapter 5-37.3-4 of the General Laws of Rhode Island (Confidentiality of Health Care Communications and Information Act) and by all federal and state laws and regulations governing confidentiality of such information, and by requirements specified by the Institutional Review Board of the Rhode Island Department of Health for the protection of human research subjects, where applicable.
2. BRFSS datafiles will be used only for statistical reporting and analysis as described in "proposed use" above. **The BRFSS project director must be informed in writing of additional proposed uses.** No information from the BRFSS datafiles described above will be published or disseminated in a form that might permit identification of an individual respondent.
3. The BRFSS datafiles described above will not be transmitted in whole or in part to any other party. Unintentional release will be prevented by physical and password protection.
4. If and when disposed of, all information provided under this agreement will be handled as follows:
  - a) Paper records will be shredded or burned; and
  - b) Computer tapes, diskettes, CDs, and electronic files will be destroyed, completely erased, or returned to the Center for Health Data and Analysis, Rhode Island Department of Health.

Attribution

5. No statement shall be made indicating or suggesting that interpretations drawn from BRFSS data are those of the Center for Health Data and Analysis, Rhode Island Department of Health other than for work conducted in collaboration with the Center for Health Data and Analysis and reviewed and approved by that Office.

6. If cited in a publication or presentation, the source of the data will be acknowledged as the Rhode Island BRFSS and cited as follows:
